

DarulUloom of Seattle 2020-2021

Assumption of the Risk and Waiver of Liability

Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

DarulUloom Seattle has put in place protective measures to reduce the spread of COVID-19; however, DarulUloom Seattle cannot guarantee that you or your child(ren) will not become infected with COVID-19. In Islam, it is the Sunnah to always clarify and speak clearly. Of course, attending activities on the facility could increase your risk and your child(ren)'s risk of contracting COVID-19. At the end of the day we acknowledge that everything is with the will of AllahSWT, we take precautions and then trust in Him to protect us, and that whatever happens is according to His plan for us.

As teachers& students of knowledge, as believers we accept that life is only from Allahswt, and that the reasoning behind death is only human guess, the only certainty is that life and death is in His hands.

As believers, we also try to live gratefully, learning, and doing our best with His blessings.

May AllahSWT accept and increase us in everything He loves, Ameen.

Please sign below, acknowledging our discussion and agreement to accept assumption of risk.

Additionally, it should be noted that the laws of the State of Washington provide for numerous immunities for schools should something occur to a student or to the family of a student as a result of activities on school property. In addition to this Agreement, these immunities remain intact.
